CONSENT FOR REMOTE TREATMENTS

I, hereby authorize consent to my participation in the use of SP2 (spooky2) Frequency Remote Device, through software to my DNA for remote sessions; including Detoxing, FSM, Rife programs selected according to my personal consultation with practitioner either by in-person, over phone, or by written testimony of my health conditions, that I choose to treat to my body/system through the DNA supplied to this process and is the processes of QE; quantum entanglement, allowing, by and through my trust & faith in the process having the remote treatments. I have read the attached information pertaining to the process and I completely agree, fully without duress, thus, allowing the Practitioner of Harvest Health – Rhonda Kay Curry, Certified Practitioner in Auriculotherapy & Frequency application with Biofield Energy Balancing, to perform any selected programs to run on my DNA for the support to my health & healing processes.

****AS A FEMALE; I AM NOT PREGNANT X**_____ *Initial*

**** I have surgical implants** _____ *list*
and or a defibrillator ___ **and or a pacemaker** ___ *(check if applies)*

I understand that **I should call HHB office @ 307-670-9014 and leave a detailed message if no answer/ or TEXT 307-359-8623 (After hours) or, will feel free to walk-in to Harvest Health if I have any issues, questions or concerns relating to any services obtained.** I also agree to keep a log of my results and to share those results as part of the plan having these Remote treatments.

This consent protects both you & the owner of Harvest Health from harm or arbitration in what-so-ever as associated in possible dissatisfaction of results keeping in mind that you trust the process, keep a positive mindset, drink plenty of purified water and work alongside the practitioner performing all suggested protocols to obtain positive outcomes, you agree to not slander the process, as some have been known to do for centuries. Furthermore, you understand Naturopathy practices are solely of a natural process, the Practitioner is not claiming to heal or diagnose, and the treatments are not fda approved, even so, **are considered completely safe.** You agree this approach to healthcare is meant to support the body's natural healing process through time management, communication & teamwork.

My signature indicates that I do fully agree to this in its entirety for the REMOTE sessions / services.
